INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Kids Kicking Cancer, Inc.
Southfield, Michigan

Opinion

We have audited the accompanying financial statements of **Kids Kicking Cancer, Inc.** (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statements of activities, statements of functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Kids Kicking Cancer, Inc.** as of 2021 and 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Kids Kicking Cancer, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Kids Kicking Cancer, Inc.'s** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Kids Kicking Cancer, Inc.'s** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Kids Kicking Cancer, Inc.'s** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

KIDS KICKING CANCER, INC.
(a Michigan not-for-profit corporation)

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - Summary of Significant Accounting Policies

Nature of activities - Kids Kicking Cancer, Inc. (KKC) is a domestic, not-for-profit corporation whose purpose is to develop programs to ease the pain of very sick children while empowering them to heal physically, spiritually and emotionally.

Method of accounting - The financial statements are prepared on the accrual basis of accounting. Consequently, revenue is recognized when earned and expense is recognized when the obligation is incurred.

Cash and cash equivalents - KKC defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less.

Investments - Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Short-term investments consist of debt securities with original maturities of twelve months or less. Long-term investments consist of debt securities with original maturities greater than twelve months.

Promises to give - Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified to net assets without donor restrictions. There were no unconditional promises to give made in 2021 or 2020 that were not received by year end.

Accounts receivable - The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. As there were no unconditional promises to give not collected by December 31, 2021 and 2020, there are no accounts receivable recorded in these financial statements. Accordingly, no allowance for doubtful accounts is necessary at December 31, 2021 or 2020.

Property and equipment - Capital additions to property and equipment exceeding \$5,000 are recorded at cost if purchased or, if donated, at fair market value at the date of the gift. Depreciation is provided on the straight-line basis over the estimated useful lives of the assets, generally three to ten years. Total depreciation expense for the years ended December 31, 2021 or 2020 was \$28,389 and \$28,390, respectively.

Income taxes - KKC is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

KKC's Forms 990, *Return of Organization Exempt from Income Tax*, are subject to examination by the IRS, generally for three years after they were filed.

Functional allocation of expenses - The costs of program and supporting services activities have been summarized on a functional basis in the Statements of Activities. The Statements of Functional Expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

KIDS KICKING CANCER, INC.
(a Michigan not-for-profit corporation)

NOTES TO THE FINANCIAL STATEMENTS
(continued)

December 31, 2021 and 2020

NOTE A - Summary of Significant Accounting Policies (continued)

Net assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets of KKC are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions - Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue recognition - KKC receives substantially all of its revenue from individual and corporate donors in the form of contributions.

Contributions, including unconditional promises to give, are recognized in the period received. Conditional promises are not recognized until they become unconditional, that is when the conditions on which they depend, are substantially met.

KKC reports gifts of cash and other assets as restricted contributions if they are received with donor stipulations that limit the use of the donated assets.

Grants and contributions - Unconditional grants and contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Revenue is recognized on the date the condition is met.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

NOTE B - Concentration of Credit Risk

KKC has concentrated its credit risk for cash by maintaining deposits in financial institutions which may, at times, exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation. KKC has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

KIDS KICKING CANCER, INC.
(a Michigan not-for-profit corporation)

NOTES TO THE FINANCIAL STATEMENTS
(continued)

December 31, 2021 and 2020

NOTE C - Date of Management's Review

Management has evaluated subsequent events through the date of the auditors' report, which is the date the financial statements were available to be issued.

On April 24, 2020, KKC received loan proceeds in the amount of \$184,886 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the twenty-four-week period.

The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1.0%, with a deferral of payments for the first six months. KKC has used the proceeds for purposes consistent with the PPP and believes its use of the loan proceeds will meet the conditions for forgiveness of the loan.

On April 12, 2021, KKC received a second PPP loan in the amount of \$222,695 subject to the same terms.

As of the date of the auditor's report, PPP loan forgiveness has been received for the first loan in the amount of \$184,886. KKC has applied for and expects the second loan to be forgiven as well.

NOTE D - Property and Equipment

The major categories of property and equipment at December 31 are summarized as follows:

	Depreciable Lives	2021	2020
Computers and equipment	5 to 10 years	\$ 3,950	\$ 3,950
Program/Medical equipment	5 years	38,747	38,747
Vehicles	5 years	143,770	143,770
Total property and equipment		186,467	186,467
Less: Accumulated depreciation		152,911	124,522
Net property and equipment		\$ 33,556	\$ 61,945

NOTE E - Donated Materials and Services

The value of donated materials, included as contributions on the Statement of Activities, was \$121,412 and \$59,149 for the years ended December 31, 2021 and 2020, respectively. These materials were used for and are included in program expenses on the Statements of Functional Expenses, with \$ 2,653 and \$5,000 of donated materials per year categorized in uniforms for the years ended December 31, 2021 and 2020, respectively.

The value of donated services, included as contributions on the Statements of Activities, was \$26,230 and \$26,835 for the years ended December 31, 2021 and 2020, respectively. These services were used for and are included in program expenses on the Statements of Functional Expenses.

KIDS KICKING CANCER, INC.
(a Michigan not-for-profit corporation)

NOTES TO THE FINANCIAL STATEMENTS
(continued)

December 31, 2021 and 2020

NOTE F - Advertising Costs

Advertising costs were expensed as incurred. Total advertising expense for the years ended December 31, 2021 and 2020 was \$33,204 and \$31,502, respectively.

NOTE G - Concentration of Donors

In 2021 and 2020, approximately 13% and 17%, respectively, of total revenue was received from one donor.

NOTE H - Leases

KKC has a 3 year lease agreement which began in June 2013 for its administrative office. The lease was first amended on April 12, 2016 for an additional 3 years. On December 17, 2019, the lease was amended a second time for an additional 3 years. The lease calls for base rental payments of \$6,652 per month through December 31, 2021, and base rental payments of \$7,136 per month through December 31, 2022.

Minimum payments under the administrative lease are as follows for the years ending December 31:

2022	\$	85,631
------	----	--------

Total rental expense for the administrative offices for the years ended December 31, 2021 and 2020 totaled \$79,826 and \$79,826, respectively, and are included in occupancy costs on the Statements of Functional Expenses.

KKC has an automobile lease with an original lease date of September 2, 2021. Monthly payments of \$315 commenced on September 2, 2021. These amounts are included in automobile expenses on the Statements of Functional Expenses. The term of the lease is 24 months.

Minimum payments under this lease are as follows for the years ending December 31:

2022	\$	3,780
2023		2,520

NOTE I - Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.

KIDS KICKING CANCER, INC.
(a Michigan not-for-profit corporation)

NOTES TO THE FINANCIAL STATEMENTS
(continued)

December 31, 2021 and 2020

NOTE J - Retirement Plan

KKC has a 401(k) retirement savings plan which covers all eligible employees. KKC matches employee contributions up to a maximum of 4% of their salary. The matching contribution was \$32,706 and \$25,490 for the years ended December 31, 2021 and 2020, respectively.

NOTE K - Net Assets With Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes or periods:

	2021	2020
Subject to expenditure for specified purpose:		
Impact 100 Grant	\$ 67,805	\$ 77,579
Martial Arts Art Therapy Program	55,791	171,954
Heroes Circle; Children Healing Children	8,200	9,810
Heroes Circle Danto Incubator	-	46,705
The Healing Hero	198,377	350,000
The Carls Foundation	100,000	-
Jamie and Denise Jacob Family Foundation	75,000	-
Community Foundation for Southeast Michigan	4,977	-
Total	\$ 510,150	\$ 656,048

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the years ended December 31, 2021 and 2020:

	2021	2020
Subject to expenditure for specified purpose:		
Impact 100 Grant	\$ 9,774	\$ 24,421
Martial Arts Art Therapy Program	116,164	115,546
Heroes Circle; Children Healing Children	1,610	5,190
Heroes Circle Danto Incubator	296,705	303,295
The D. Dan and Betty Kahn Foundation	230,000	-
The Healing Hero	151,623	-
Community Foundation for Southeast Michigan	45,022	-
United Way – Southeast Michigan	-	50,000
KKC - Oak Park Schools Program	-	181,855
Total	\$ 850,898	\$ 680,307

NOTES TO THE FINANCIAL STATEMENTS
(continued)

December 31, 2021 and 2020

NOTE L - Board Designations Net Assets Without Restrictions

KKC's governing board through specific action or through management policy has created self-imposed limits on net assets without donor restrictions. The board has earmarked \$41,766 and \$42,969 for the following purposes as of December 31, 2021 and 2020:

	2021	2020
For funding KKC's virtual reality program	\$ 41,766	\$ 42,969

NOTE M - Liquidity and Availability of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet, comprise the following:

	2021	2020
Cash and cash equivalents	\$ 649,559	\$ 977,251
Mutual funds	902,541	902,137
Total	\$ 1,552,100	\$ 1,879,388

All board and donor amounts with restrictions limiting use at year end were designated to be used within a year.

As part of KKC's liquidity management plan, KKC invests cash in excess of daily requirements in short-term investments, CDs, and money market funds. In 2020, KKC opened an investment account to invest excess cash in mutual funds.

NOTE N - Fair Value Measurements

KKC reports required types of financial instruments in accordance with fair value accounting standards. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, KKC attempts to utilize valuation methods that maximize the use of observable inputs. Based on the observability of the inputs used in the valuation methods, the information is provided according to the fair value hierarchy, classified in one of the following three categories:

- Level 1 Quoted market prices in active markets for identical assets or liabilities.
- Level 2 Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3 Unobservable inputs that are not corroborated by market data.

December 31, 2021 and 2020

NOTE N - Fair Value Measurements (continued)

KKC holds short-term investments that are excess operating cash. These investments are meant to be short-term and able to convert to cash if needed to cover operating expenses. Short-term investments consist of commercial paper with original maturities of greater than three months but less than one year. These investments are considered available-for-sale and are recorded at fair value. As of December 31, 2021 and 2020, the difference between the fair value of the short-term investments and the original cost was not material.

The following is a description of the valuation methodologies used for assets:

Mutual funds. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at December 31, 2021 and 2020:

	Assets at Fair Value as of:			
	Fair Value	(Level 1)	(Level 2)	(Level 3)
December 31, 2021:				
Mutual funds	\$ 902,541	\$ _____	\$ 902,541	\$ _____
Total investments at fair value	\$ 902,541	\$ _____	\$ 902,541	\$ _____

	Assets at Fair Value as of:			
	Fair Value	(Level 1)	(Level 2)	(Level 3)
December 31, 2020:				
Mutual funds	\$ 902,137	\$ _____	\$ 902,137	\$ _____
Total investments at fair value	\$ 902,137	\$ _____	\$ 902,137	\$ _____

NOTE O - New accounting pronouncements

During the year ended December 31, 2020, KKC adopted the Financial Accounting Standards Board's (FASB) Accounting Standard Update (ASU) 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU provides additional guidance in (1) evaluating whether transactions should be accounted for as contributions (within the scope of ASU 958) or as exchange (reciprocal) transactions (subject to ASC 606); and (2) distinguishing between conditional and unconditional contributions. Management believes that the adoption of this ASU enhanced the comparability of financial information among not-for-profit entities. This change in accounting principle was adopted on a modified prospective basis in 2020. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of January 1, 2020. The impact of adoption was not material to the financial statements.

During May 2014 the FASB issued "Accounting Standards Update" (ASU) 2019-09, "Revenue from Contracts with Customers" (Topic 606). ASU 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers in an amount that reflects the expected consideration received in exchange for those goods or services. During August 2015, the FASB issued ASU 2015-14 which deferred the effective date of ASU 2014-09 to fiscal years beginning after December 15, 2019. The amendments may be applied retrospectively to each prior period presented or retrospectively with the cumulative effect recognized as of the date of initial application. The aforementioned ASU's are codified as "Account Standards Codification" (ASU) Topic 606 "Revenue from Contracts with Customers."

KKC adopted Topic 606 on January 1, 2020. There was no impact on net assets as of January 1, 2020 or to revenue for the years ended December 31, 2021 and 2020. KKC does not have written or implied contracts with customers and therefore adoption was not material to the financial statements and required disclosures are not applicable.

FASB issued ASU 2019-01, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Statement of Financial Position and disclosing key information about leasing arrangement. The ASU is effective for non public entities beginning after December 15, 2021. Early adoption is permitted. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach or applied at the beginning of the period of adoption recognizing a cumulative-effect adjustment.

KKC plans to adopt the new ASU at the required implementation date and management is currently in the process of evaluating the adoption method and the impact of the new standard on its accompanying financial statements.
